

## In Dog We Trust

Reagan Youth

Inquisition says we'll burn in hell  
Damnation for the infidel  
Gonna start and spread some heresy?  
Ya' gotta expect a certain misery  
They're gonna make it really interesting  
They're gonna go and teach democracy  
Whatever God that could exterminate  
Whatever God that can't tolerate

In dog we trust (4x)

In dog we trust  
In God you trust  
In God you trust  
In God you lust

God damn you  
God damn me  
God damn who?
