

Queen Babylon

Reagan Youth

Said you, think you're gorgeous
But you, just make me nauseous
Said you, acting like a goddess
A goddess, would act more modest

Said Queen Babylon
You're heading for a fall
Said Queen Babylon
You're heading for a fall

Said you, think your gorgeous
But baby you make me nauseous
Oh baby acting like a goddess
But a goddess would act more modest

Said Queen Babylon
You're heading for a fall
