

All The Same

Real Estate

There goes the day, oh, what a shame
It's okay, that's all the same
It's alright, it's okay
Because the night is just another day

Oh, there's the night, oh, what a shame
It's alright, that's all the same
It's okay, it's alright
Because the day is just another night

Oh, when you came back from the scene
It's true, you brought a melody
Oh, I know it's hard but you stay with me
Oh, ooh, we got a memory

Oh, there's the day, oh, what a shame
It's okay, that's all the same
It's alright, it's okay
Because the night is just another day

Oh, when you came back from the scene
It's true, you brought a melody
Oh, I know it's hard but you stay with me
Oh, ooh, we got a memory

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

Oh, when you came back from the scene
It's true, you brought a melody
