How Might I Live

Real Estate

How might I live to betray you? How might I live to see the day? How might I live to say you're not the one I love? How might I find the words to say?

Down in my home, Louisiana Down in my home where I stay Got to find the words to say you're not the one I love How might I live to see the day?

But I give so I'm going on. Call if you heard other songs But I can't, so I'm going on How might I live to see the day?
