

I don't know who's behind  
The wheel  
Sometimes I feel like I don't know  
The deal  
When I tell you how  
I feel  
Believe me when I say  
It's real

Oh whoa whoa whoa oh oh  
Oh whoa whoa whoa oh oh  
It's real

I carved our names into  
A tree  
I walked on decomposing  
Leaves  
I skated on a frozen  
Sea  
It's real as far as I  
Can see

Oh whoa whoa whoa oh oh  
Oh whoa whoa whoa oh oh  
It's real  
Oh whoa whoa whoa oh oh  
Oh whoa whoa whoa oh oh  
It's real  
Oh whoa whoa whoa oh oh  
Oh whoa whoa whoa oh oh  
It's real  
Oh whoa whoa whoa oh oh  
Oh whoa whoa whoa oh oh  
It's real
