

Wonder Years

Real Estate

I'm not trying to be cool
I only wanna be kind
I know that I've
Pissed you off
Babe I better rewind

But I'm not yours
And you're not mine
No I'm not OK
But I guess I'm doing fine

Jealous others left behind
Wonder years passed me by
Far away but still on my mind
Think of you from time to time

But I'm not yours
And you're not mine
No I'm not OK
But I guess I'm doing fine
