

## Old Book

## Real Friends

I'm treated like an old book  
That was left on the shelf  
Everyone underlined what they wanted to read  
And forgot the rest  
My spine was loved...  
So just take what you want from me  
And forget the rest

And... works me out  
Because I never thought I'd be where I am today  
My bones want to tear all of my skin  
This isn't where I want to be  
Getting older scares the shit out of me  
I'm an old book
