Nite To Remember (o-jay Solo)

Real McCoy

```
Baby, baby
Don't you worry tonight!

Verse #1:
Come on, come on, get it on, bring it on
Baby let your body talk to me
Come on, no matter what, no doubt
You're the one I got my eyes on
If you talk the talk, you gotta walk the walk
And if you really want it baby
Come on, let your body talk
Uh gotta have enough baby oh gotta have enough
Cuz I can't get enough, I can't get you
I can't get enough
I can't get enough, I can't get you
I can't get you out of my mind!!!

Pre-chorus:
Why don't you stay the night with me
And show me how love meant to be
I'll make you mine and see you right
Cuz tonight is the night!

Chorus

Verse #2:
Lovin the heat of the night
Baby, come on come on
Let's take a ride til the break of dawn
No matter what, no, no, uh, we can't go wrong
I will show you love, show you respect
Will treat you right and get you back
Baby, you killin me, you better make up your mind
Come on, it's about the time
Cuz I can't get enough, I can't get you
I can't get enough
I can't get enough, I can't get you
I can't get you out of my mind!
Cuz I can't get enough, I can't get you
I can't get enough
I can't get enough, I can't get you
I can't get you out of my mind!!!

Chorus

Don't you worry tonight my baby
Everything's alright
You're the that I want, I need
