

# One More Time

Real McCoy

One more time  
Let's do it again  
Show no shame, just call my name  
One more time  
Again and again  
Don't you want to play my game?

I will make you feel like heaven  
I'll turn you upside down  
I'll spin you round and round  
I'll put a spell on you baby  
I will make you come and play me  
I'm gonna make you mine,  
Let's do it one more time

You spin me round and round and  
Turn me upside down  
You put a spell on me and  
Hit me to the feeling

One more time  
Let's do it again  
Show no shame, just call my name  
One more time  
Again and again  
Don't you want to play my game?

Play me, play me baby  
Play me, show me what you got  
Come play me, Play me baby,  
Play me, don't stop don't stop  
Do it, just do it, let's do it  
Again again  
Keep it going on, Show no shame,  
Come and play the game,  
How did I know that I would do this to you  
Now that I've made you mine

Play me, play me baby  
Play me, show me what you got  
Come play me  
Play me baby  
Play me, don't stop don't stop

Play me, play me baby  
Play me, show me what you got  
Come play me  
Play me baby  
Play me, don't stop don't stop  
Do it just do it  
Do it just do it  
Do it just do it  
Do it just do it,  
Just do it one more time !
