

Tonight

Real McCoy

Oh yeah mercy, mercy, ya mercy me
Oh yeah mercy, mercy, ya mercy me
Oh yeah mercy, mercy, ya mercy me

come on, let's get ready for the weekend
Get your party clothes and make up on
Look out, cause it's so good time that best as you can
Gonna hear it till the sun comes up

Tonight, I'm gonna show you my love
I'm gonna make you mine
Baby, we can't go wrong, just keep it going

Tonight, I know there's something going on
Alright, You know we can't go wrong
Tonight, I know there's something going on
Alright, We're gonna do it all night long

Oh yeah mercy, mercy, ya mercy me
Oh yeah mercy, mercy, ya mercy me

Tonight, You're gonna give up and get it
Gonna come with us and have some fun
Get up, we're gonna push you to the limit
Shake it up, shake it down till the morning comes

Tonight, we're gonna take you to the max
I'll love you more with an ex
So baby get up and get it, just push it and take it

Tonight, I know there's something going on
Alright, You know we can't go wrong
Tonight, I know there's something going on
Alright, We're gonna do it all night long

Oh yeah mercy, mercy, ya mercy me
Oh yeah mercy, mercy, ya mercy me

This feels so good, so right tonight
When morning comes, I hope we'll still in love

Oh yeah mercy, mercy, ya mercy me
Tonight, I know there's something going on
Alright, You know we can't go wrong
Tonight, I know there's something going on
Alright, We're gonna do it all night long
Tonight, I know there's something going on
Alright, You know we can't go wrong
Tonight, I know there's something going on
Alright, We're gonna do it all night long

Oh yeah mercy, mercy, ya mercy me
Oh yeah mercy, mercy, ya mercy me
