

Free Like a Bird

Reamonn

This ice feels so thin,
I think I'm falling in
As sweet as you are
I'm learning to swim
Forgive me for my sins
And it's so cold
Without you here
My love sincere

Can't you see that I'm free?
Like a bird in the sky,
Gonna watch you from a distance
Gotta watch you from way up high
Can't you see I'm in love?
That's where I learned to fly
I was young and it was easier
And now it's just a lie
My love sincere

This winter begins
With whistling winds
You're nowhere in sight
But an angel of love
Stares down from above
But it's so cold
Without you here
My love sincere

Can't you see that I'm free?
Like a bird in the sky,
Gonna watch you from a distance
Gotta watch you from way up high
Can't you see I'm in love?
That's where I learned to fly
I was young and it was easier
And now it's just a

It's one step
It's two steps
It's three steps
Before you trip and fall
It's one step
Just one left
You can't be climbing the mountains
When your're learning to crawl

Can't you see that I'm free?
Like a bird in the sky,
Gonna watch you from a distance
Gotta watch you from way up high
Can't you see I'm in love?
That's where I learned to fly
I was young and it was easier

And now it's just a lie
And now it's just a lie
And now it's just a lie

And now it's just a lie

It's one step

It's two steps

It's three steps

Before you trip and fall
