

# I Need You

Reamonn

It's a time, to remember  
It's a time, we have to believe  
It's a time, to surrender  
To someone that your heart really needs.

I need you  
I need you  
I really need you  
I need you  
I need you

It's the season to wonder  
Wonder why time has turned to move on  
As my love grows stronger  
I hope it's strong enough just to go

I love you  
I need you  
Along to you  
I need you  
You uh

Now along to you  
I need you  
Get along to you  
I need you  
Get along to you  
I need you  
Get along to you  
I need you.
