

# Stripped

Reamonn

Would you say  
You're in control  
Would you say  
I'm just your fool  
Have you had  
other men like me  
Did they pleased you like  
I want to please

Do you think  
you got more than me  
Is it so hard to  
let go of been free  
Would you strip for me  
now let's see you bare  
Hold me, tell that you  
really care

And would you Strip,  
Strip for me?  
And would you Strip,  
Strip for me?  
And would you Strip,  
Strip for me?  
Would you Strip for me?

Would you strip  
until you're bare  
Would you make  
love over there  
Show me that  
I've some control  
Hold me tell me that I'm  
not your fool

Do you believe in me?  
Do you know my history?

And would you Strip,  
Strip for me?  
And would you Strip,  
Strip for me?  
And would you Strip,  
Strip for me?  
Would you Strip for me?
