

# Tonight

Reamonn

She never took the train alone  
she hated being on her own  
She always took me by the hands  
and say she needs me

She never wanted love to fail  
she always hoped that it was real  
She'd look me in the eyes and say believe me  
And then the night becomes the day  
and there's nothing left to say  
If there's nothing left to say  
then something's wrong

Ohhh tonight you killed me with your smile  
so beautiful and wild so beautiful  
Oh tonight you killed me with your smile  
so beautiful and wild so beautiful and wild

And as the hands would turn with time  
she'd always say that she was my mine  
She'd turn and lend a smile  
to say that she's gone  
But in a whisper she'd arrive  
and dance into my life  
Like a music melody  
like a lovers song

Oh tonight you killed me with your smile  
so beautiful and wild so beautiful  
Oh tonight you killed me with your smile  
so beautiful and wild so beautiful and wild

Through the darkest night  
comes the brightest light  
And the light that shines  
is deep inside  
It's who you are

Oh tonight you killed me with your smile  
so beautiful and wild so beautiful  
Oh tonight you killed me with your smile  
so beautiful and wild so beautiful ?beautiful  
Oh tonight you killed me with your smile  
so beautiful and wild so beautiful and wild  
So beautiful and wild  
So beautiful and wild
