## Happy Birthday Jesus (I'll Open This One for You)

## Reba McEntire

Now kids hang on just a second before we start You know there's a reason we are all here in front of Grandma a nd Grandpa's Christmas tree And if Trevor and E.P. would quit fighting long enough and be r eal quiet This little song might help ya understand Long ago in a stable there was a baby being born His parents were Joseph and Mary And Joseph's big ole heart was torn Cause he couldn't find a decent place for Mary to have her chil But Mary said it just seemed just right and she blessed it with her Smile Cause what made it special was the baby in her arms God sent Him down to give the world a second chance for you and That's why we have Christmas at this time each year It's the baby's birthday party that brings us so much cheer Now kids the presents that all of you exchange on Christmas Represents the gifts that baby Jesus received the night he was born He got all his presents from three wise men Who followed a star And walked a long long way to the stable So everytime you tear open one of your presents Think about that baby and say Happy birthday Jesus I'll open this one for you Cause what made it special was the baby in her arms God sent Him down to give the world a second chance for you and That's why we have Christmas at this time each year It's the baby's birthday party that brings us so much cheer OK all together now Happy Birthday Jesus I'll open this one just for you
