

# Hold On

Reba McEntire

Hold on cause this feels just like a first love  
There's no way to rehearse love  
We'll just learn as we go

I know you can see it in my eyes  
I've been looking in your eyes  
The feeling is starting to grow

R: Hold on  
Love can take us up so high  
But it can take us down so low  
You either laugh or you cry  
Hold on  
Cause love's a chance that we're taking  
And I don't think we're mistaking  
We'll never know till we try

Hold on  
Cause here comes all the conversations  
The painful midnight confessions  
That leave you feeling so sad

I know we can make it forever  
If we just face it together  
Take the good with the good

R:
