

# I Don't Want to Be Alone

Reba McEntire

My nerves are shot, the coffee's cold  
Wish that I could be so bold as to  
Walk right up to you and say what I think

I don't know what you think of me  
And I know everyone can see  
I'm crazy about you and always will be

Where's women's lib when you need it the most  
Or was it mama who said  
You're not suppose to flaunt yourself like that  
As if there's no in between

Or maybe it's not that I'm afraid  
It's just that the last move I made  
Embarrassed me to death  
And made me want to hide

So if you've ever been embarrassed before  
Meet me half way so I'll know for sure  
At least we'll still be friends if I mess up again

'Cause it ain't easy meeting someone new  
Especially when that someone is you  
It ain't easy being by yourself, it's no fun to be alone  
And I don't want to be alone

'Cause it ain't easy meeting someone new  
Especially when that someone is you  
It ain't easy by being by yourself, it's no fun to be alone  
Oh, no and I don't want to be alone

My nerves are shot, the coffee's cold  
Wish that I could be so bold as to  
Walk right up to you and say what I think
