

# I'll Go On

Reba McEntire

You were everything and that's what I gave you  
But you don't love me and I don't hate you  
Or maybe I did, but just for a minute  
Cause you wanted me to live my life without you in it  
But I forgave you  
Oh, I hope you know it's true  
And I don't blame you  
For not feeling like I do

I'm pretty sure it's not the end of the world tonight  
Even though down deep in my soul it feels like it might  
I'm pretty sure I'll wake up tomorrow still breaking inside  
And I'll go on missing you  
I'll go on wanting you  
I'll go on with or without you  
I'll go on

I'll carry what's left of us with me always  
Remember last summer, those were the good days  
I wouldn't trade 'em not to hurt now  
If I could've told myself not to love you so  
I'd still love you  
Oh, I hope you know it's true  
But letting go of you  
Is so much harder to do

I'm pretty sure it's not the end of the world tonight  
Even though down deep in my soul it feels like it might  
I'm pretty sure I'll wake up tomorrow still breaking inside  
And I'll go on missing you  
I'll go on loving you  
I'll go on with or without you  
I'll go on

I'll go on  
Ooh, I'll go on  
So go on, go on
