

I Want to Hear It from You

Reba McEntire

If all our love is through
If you found someone new
Then I want to hear it from you

If there is no mistake
And if my heart must break
I want to hear it from you

Just the thought of losing you
Is more than I can stand
But this hurt would be much worse
If I heard it secondhand
If there's no hope at all
If my world must fall
I want to hear it from you

So tell me now
If things are not the way they used to be
I want to hear it from your lips
You owe that much to me

If all our love is through
If you found someone new
Then I want to hear it from you
