

# I Wish That I Could Tell You

Reba McEntire

How do you tell someone you're letting go  
I wish that I could tell you  
But you're asking me things that I don't know  
I wish that I could tell you  
The words that I would say  
Sound as empty as the way you feel inside  
While the silence in between  
Tells me everything that you deny  
I don't know how to help you  
I wish that I could tell you  
How to tell me goodbye

I don't know how you leave it all behind  
I wish that I could tell you  
Is it true a heart heals itself with time  
I wish that I could tell you  
How do you choose  
Do you hurt 'em with the truth or with a lie  
Where do you go to find the courage  
You know I could never find  
I don't know how to help you  
I wish that I could tell you  
How to tell me goodbye

Where do you turn, where do you go  
When you've finally reached the end of the road  
How do you say it I just don't know  
When it comes to leaving you're on your own

How do you tell someone you're letting go  
I wish that I could tell you  
I wish that I could tell you
