

# I Wouldn't Go That Far

Reba McEntire

I'll never forget that night long ago  
When he drove me down that old dusty road  
He took me as far as I'd ever been  
He wanted me and I wanted him  
But I'd always been told I shouldn't give in

R: I wouldn't go that far  
I didn't follow my heart  
He said he loved me  
But I wasn't ready  
And I wouldn't go that far

He was so patient, he didn't give up  
With a ring in his hand and a heart full of love  
He asked me for forever, I asked him to wait  
To please understand these dreams I must chase  
Though it was a promise I wanted to make

R:

After all these years. I saw him again  
He had his wife and his family with him  
He said he was proud of all my success  
He guessed both of us had found happiness

R:

Yes, I knew he loved me  
But I wasn't ready  
And I wouldn't go that far
