

# If I Had It My Way

Reba McEntire

We wouldn't have to meet here in this dark secluded place to hide our faces  
If I had it my way,  
We wouldn't have to say goodbye then drive on home and dream up another alibi  
If I had it my way  
There'd be no more wrong numbers when I called you on the phone feeling down,  
And I wouldn't have to worry she might find a little stand of my hair.

If I had it my way  
Love would not be come and go  
We'd lie here in the afterglow  
'Til the break of day,  
If I had it my way  
you would not be leavin' me  
Love would not be misery  
You would always stay  
If I had it myyyyyyyy waaaaay  
(overlap)

We wouldn't have to meet here in this dark secluded place to hide our faces  
(Repeat Chorus.....fade out)
