

Never Had a Reason To

Reba McEntire

All the girls I grew up with
Got a husband, house and kids
That's what everybody did after school
If I'd had a steady boyfriend
I might've stuck around like them but
Back then I never had a reason to

L.A.'s like another planet
Had to live there to understand it
And I thought when I first landed that California's cool
Till I saw good girls gettin' outta control
Endin' up sellin' their souls
Oh no, I never had a reason to

I never had a reason to stay
To not walk away
Nobody's heart was gonna break over me
I never had somethin' worth keepin'
Or somebody I needed
Like I'm needin' you
Baby, don't you see it's true
I never had a reason to believe in love

To some love comes as a vision
To some it's a sweet Baptism
Me and love had a head on collision
When I ran into you
Got some feelings I'm figurin' out
No, I don't know exactly how
Until now I never had a reason to

I never had a reason to stay
To not walk away
Nobody's heart was gonna break over me
I never had somethin' worth keepin'
Or somebody I needed
Like I'm needin' you
Baby, don't you see it's true
I never had a reason to believe

I never had somethin' worth keepin'
Or somebody I needed
Like I'm needin' you
Baby, don't you see it's true
I never had a reason to believe in love
