

# Nothing to Lose

Reba McEntire

Well, I'm sittin' on a bus  
Rollin' down thru Georgia  
I don't know where I'm goin'  
And I don't care what's new  
I got nothin' to lose

Well I've had no sleep  
Goin' on three days  
And is this old paper bag  
Somewhere near in luggage?  
It's true  
I got nothin' to lose

Nothin' to lose  
Since I lost you  
Feelin' all alone  
I used to have it all  
And now my heart is gone  
it's true  
I got nothin' to lose

Well, we're comin' up on Macon  
Gonna rest here a spell  
Makin' idle conversation  
With a stranger without you  
I got nothin' to lose

Nothin' to lose  
Since I lost you  
Feelin' all alone  
I used to have it all  
And now my heart is gone  
It's true  
I got nothin' to lose

Oooohhh, ooohh  
Nothin' to lose  
Oooohhh, ooohh  
Since I lost you  
Whoa oh oh

You left me with no worries  
You left me with no cares  
You took my whole life with you  
Then you left me standin' there  
It's true  
I got nothin' to lose

Nothin' to lose  
Since I lost you  
Feelin' all alone  
I used to have it all  
And now my heart is gone  
It's true  
I got nothin' to lose

Yeah, it's true

I've got nothin' to lose

I've got nothin', nothin' left to lose

I've got nothin', nothin' left to lose

I've got nothin', nothin' left to lose

Oooohhh, oohh

Nothin' to lose

Oooohhh, oohh

Nothing to lose
