

# Now You Tell Me

Reba McEntire

What a surprise  
Never thought I'd hear from you  
Whatever made you call  
From out of the blue

What did you say  
I must be hearing things  
Things that I never thought  
Would come from you

Now you tell me  
That you love me desperately  
Why did you wait so long  
To say those words to me

Oh, you made me crazy  
I don't know what to do  
Now you tell me  
Not that there's somebody new

I think you should know  
There's someone here with me  
O, bet he can tell you  
Must be someone dear to me

So I better go  
'Cause you still get to me  
Just when I thought I was over you  
This is all I need

Now you tell me  
That you love me desperately  
Why did you wait so long  
To say those words to me

Oh, you made me crazy  
I don't know what to do  
Now you tell me  
Not that there's somebody new
