

## Read My Mind

Reba McEntire

A penny for my thoughts you say  
You want to know what I could be thinking  
But as I speak the music starts to play  
And the words just somehow slip away

R: Read my mind  
It will tell you that I love you and  
You're all I ever wanted in a man  
You'd see how I feel  
What my head won't let my heart reveal  
If only you could read my mind

One look from you and look at me  
I'm trembling like a little girl  
I tell myself if I can just believe  
Any day now you'll fall in love with me

R:

Tell me if you feel the same way I do  
And tell me that I'm not mistakenly taken with you

You're all I ever wanted in a man  
You see, all I need is everything you are to me  
If you could somehow read my mind  
You would see what I can't seem to say  
If only you could, if you would read my mind  
Read my mind
