

## Silly Me

Reba McEntire

Funny how love comes and goes  
With the tears that fill my life, does it show?  
So listen to my heart beat once again  
Because of you I hope this feelin' never ends

Silly me, I fell in love again  
We started out as friends  
You'd think I would have learned from the hurt before  
Foolish me, should I have closed the door?  
Promised even swore  
To never love this way  
Oh, foolish me

They say that, love's a chance you take  
You know, I've had my share  
But when the nights get oh so cold, I need you there

They say that, love's a chance you take  
You know, I've had my share  
But when the nights get oh so cold, I need you there

Silly me, I fell in love again  
We started out as friends  
You'd think I would have learned  
Oh, foolish me  
Silly me
