Silly Me

Reba McEntire

Funny how love comes and goes With the tears that fill my life, does it show? So listen to my heart beat once again Because of you I hope this feelin' never ends

Silly me, I fell in love again
We started out as friends
You'd think I would have learned from the hurt before
Foolish me, should I have closed the door?
Promised even swore
To never love this way
Oh, foolish me

They say that, love's a chance you take You know, I've had my share But when the nights get oh so cold, I need you there

They say that, love's a chance you take You know, I've had my share But when the nights get oh so cold, I need you there

Silly me, I fell in love again We started out as friends You'd think I would have learned Oh, foolish me Silly me
