

Suddenly There's a Valley

Reba McEntire

When you've climbed the highest mountain
When a cloud holds the sunshine in
Suddenly there's a valley
Where the earth knows peace with men

When a star hides the distant rainbow
And you think you can't find a friend
Suddenly there's a valley
Where friendships never end

Touched only by the season
Swept clean by the raving rain
Surveyed by every bluebird
And kissed by the falling rain

When you think there's no bright tomorrow
And you feel you can't try again
Suddenly there's a valley
Where hope and love begin

Suddenly there's a valley
Where hope and love begin
