

# The Girl Who Has Everything

Reba McEntire

I just got the wedding invitation  
There's gonna be a celebration  
Like you've never seen  
Just fit for a queen

She's got her mom and daddy's blessing  
She's got a long white wedding dress  
And his wedding ring  
Oh, what can I bring  
What do you give the girl who has everything

She's got the man who used to hold me  
She's got the man who told me I was his everything  
She's got the man who used to love me  
Who placed no one above me, how he made my heart sing

Oh, what can I bring  
What do you give the girl who has everything

She'll hear his promise of forever  
She'll hear him say what  
I could never get him to say  
Oh, he'll say it today

She'll hold his hand and throw the flowers  
Drink champagne till the morning hours  
The queen has her king  
And the world on a string  
So what do you give the girl who has everything

She's got the man who used to hold me  
She's got the man who told me I was his everything  
She's got the man who used to love me  
Who placed no one above me, how he made my heart sing

Oh, what can I bring  
Tell me, what do you give the girl who has everything  
What do you give the girl who has everything
