

# Till You Love Me

Reba McEntire

I sent you roses, I warned you I would  
Do all that I could to show you the way that I feel  
Please, don't say I'm wasting my time  
I've got nothin' but time so I'll do all that I can to catch  
That ghost of a chance

The sunlight, the moonlight  
Are beyond my control  
And there are stars in the heavens  
That I'll never hold  
But if dreams give you power  
Then I'm strong enough to offer my heart  
And never give up till you love me  
Till you love me

I looked in your eyes, so bright and so blue  
And that's when I knew that you could be mine  
If good things come to those who will wait  
Well, I guess I can wait if that's what I have to do  
Oh, it's worth it for you

The sunlight, the moonlight  
Are beyond my control  
And there are stars in the heavens  
That I'll never hold  
But if dreams give you power  
Then I'm strong enough to offer my heart  
And never give up till you love me  
Till you love me
