

# All That I've Got

Rebecca Ferguson

I almost crumbled  
I almost fell  
I almost gave you everything under your spell

You almost mattered  
You almost won  
You held my fears and weakness  
In the web you spun

Took what you wanted  
But you're leaving with nothing  
I'll carry on, I'll carry on  
I'll carry on, marching

Hope you enjoyed it  
But you're leaving with nothing  
Nothing, nothing

This war has started  
Rivers parted  
But I'm gonna face my fears  
Give it all that I've got  
I'll give it all that I've got  
Let the healing start

This war has started  
Rivers parted  
But I'm gonna cry no tears  
Give it all that I've got  
I'll give it all that I've got  
Let the healing start

I almost stumbled  
When you shot me down  
You almost got the best of me and stole my crown

The glass was shattered  
As it hit the ground  
This endeavor enough for you, it's over now

Took what you wanted  
But you're leaving with nothing  
Nothing, nothing

This war has started  
Rivers parted  
But I'm gonna face my fears  
Give it all that I've got  
I'll give it all that I've got  
Let the healing start

This war has started  
Rivers parted  
But I'm gonna cry no tears  
Give it all that I've got  
I'll give it all that I've got  
Let the healing start

This war has started  
Rivers parted  
But I'm gonna face my fears  
Give it all that I've got  
I'll give it all that I've got  
Let the healing start

This war has started  
Rivers parted  
But I'm gonna cry no tears  
Give it all that I've got  
I'll give it all that I've got  
Let the healing start

I almost crumbled  
I almost fell  
I almost gave you everything but you've failed
