

Fairytale

Rebecca Ferguson

Ok so I call about a thousand times
I wait outside and I join the line
With a million girls that are just like me ooh

I got you're name saved on my screen
It says how much that you love me
And I know that it's not a dream

Aahhhaa oooh yeaaahh
Ahhhaa oooh yeaaahhh

It's like I keep on giving with nothing in return
Just a constant burning
I'll never learn
But let me just fairytale that we are in love
I'd rather live a life this way

Ahhhaa oooh yeaaahhh

Oh it's my life anyway

I close my eyes and you kiss me
Say how much that you miss me
And no one compares to what we got

Then I wake up and it's just a dream
Some how I wish it was reality
Trying to deal with the fact it's not

Aahhhaa oooh yeaaahh

It's like I keep on giving with nothing in return
Just a constant burning
I'll never learn
But let me just fairytale that we are in love
I'd rather live a life this way
