

# Hold Me

Rebecca Ferguson

Truly I say to you, not a day I don't think about your smile  
And how tired they've been  
You've done the bottles, you've paced the halls  
Cause deep down I know, there's a strength from within

So why don't you smile, cause smiling is all you have  
And why don't you trust instead of getting mad  
Cause not all love's dependent and changing  
There's some that is real  
Never ending  
No sorrow lives there  
No sorrow lives there

Will you hold me  
Cause I've had enough  
Will you hold me  
I feel like giving up  
And I'm tired of smoking  
And the drink's not working  
Because I feel let down  
I'm sick of this fake smile  
And I'm tired of smoking

Didn't turn out as you thought  
Fairytale was more like the wall  
How innocent you are  
No father just crushed dreams  
It's not exactly your knight in shining armour  
Not much of a king

So why don't you smile, cause smiling is all you have  
And why don't you trust instead of getting mad  
Cause not all love's dependent and changing  
There's some that is real  
Never ending  
No sorrow lives there  
No sorrow lives there

Will you hold me  
Cause I've had enough  
Will you hold me  
I feel like giving up  
And I'm tired of smoking  
And the drink's not working  
Because I feel let down  
I'm sick of this fake smile  
And I'm tired of smoking

You're been playing on my mind lately  
Want to help you, don't leave me behind  
Docs saying I'm going crazy  
Rumour has it that love is blind  
And my back's against the wall  
Yeah, you already took my shine  
And I've found the dream I was dreaming  
Wasn't mine

Will you hold me  
Cause I've had enough  
Will you hold me  
I feel like giving up  
And I'm tired of smoking  
And the drink's not working  
Because I feel let down  
I'm sick of this fake smile  
And I'm tired of smoking

You've been playing on my mind lately  
The docs saying I'm going crazy  
But I can't sleep at night  
Knowing that you're not alright
