

# My Best

Rebecca Ferguson

It's never easy so don't give me that excuse  
It was never meant to be  
You're scared of losing so you'd rather hide the truth  
But it's so obvious to me

So don't (so, don't)  
Lose faith (lose, faith)  
When you feel like your mind's about to break (about to break)  
Don't (so don't)  
Fall away (fall away)  
When the battle's just about to break (about to break)

'Cause you're at your best  
When you give what you get  
'Cause you're at your best  
When there's nothing else left

Oh family, I got that  
Bills paid, I got that  
One love, I got that  
Lord knows I got that ('cause you're at your best)  
When there's nothing else left, no no

The storm surrounds you but you're always shining through  
I guess a diamond never breaks  
When stuff is going down you always keep your cool  
'Cause that's just the way you're made

So don't (so, don't)  
Lose faith (lose, faith)  
When you feel like your mind's about to break (about to break)  
So don't (so don't)  
Fall away (fall away)  
When the battle's just about to break (about to break)

'Cause you're at your best  
When you give what you get  
'Cause you're at your best  
When there's nothing else left

Oh family, I got that  
Bills paid, I got that  
One love, I got that  
Lord knows I got that (cause you're at your best)  
When there's nothing else left, no no

Maybe it feels like it's all got too much  
Hear the sounds of your world falling  
But don't give in  
Just smile through your,  
Just smile through your,  
Just smile through your pain  
Just smile through your days  
Just smile through your,  
Just smile through your,  
Just smile through your day cause you're

'Cause you're at your best  
When you give what you get  
'Cause you're at your best  
When there's nothing else left

Oh family, I got that  
Bills paid, I got that  
One love, I got that  
Lord knows I got that (cause you're at your best)  
When there's nothing else left, no no
