

My Freedom

Rebecca Ferguson

I keep that grip so tight so you can't move
I told you, I hold you
You should do just as I say but not as I do
I done told you, I own you

And I can do anything, anything, anything, anything I want

Does it make you feel like you're really someone?
Does it make you feel like you can win some?
You can't take the freedom freedom freedom out of my life
Freedom freedom freedom out of my life

Does it make you feel like you're really someone?
Does it make you feel like you can win some?
You can't take the freedom freedom freedom out of my life
Freedom freedom freedom out of my life

I watch you live in fear of all your past
I told you, I own you
I'll be that whisper when you're feeling sad
I told you, I own you

And I can do anything, anything, anything, anything I want

Does it make you feel like you're really someone?
Does it make you feel like you can win some?
You can't take the freedom freedom freedom out of my life
Freedom freedom freedom out of my life

Does it make you feel like you're gonna get some?
Does it make you feel like you're gonna win some?
You can't take the freedom (freedom freedom out of my life)
You can't take the freedom

So go home
Go ahead
Go ahead and do whatever you wanna do
I don't really care whatever it's gonna be
Do whatever you gotta do
So you can feel like you're winning on me

Does it make you feel like you're really someone?
Does it make you feel like you can win some?
You can't take the freedom freedom freedom out of my life
Freedom freedom freedom out of my life

Does it make you feel like you're gonna get some?
Does it make you feel like you're gonna win some?
You can't take the freedom freedom freedom out of my life
Freedom freedom freedom out of my life

Freedom freedom freedom out of my life
Freedom freedom freedom out of my life
