Stormy Weather

Rebecca Ferguson

Don't know why
There's no sun up in the sky
Stormy weather
Since my man and I ain't together
Keeps on raining all the time

And my life is bare
Gloom and misery everywhere
Stormy weather
Just can't get my poor self together
I'm weary all the time,
Weary all the time
So weary all the time

When he went away
The blues walked in and met me
If he stays away
That old rocking chair gonna get me
So I'll just sit here and pray
That Lord above will let me
Walk in the sun once more

Can't go on
Everything I had is gone
Stormy weather
Since my man and I ain't together
Keep on raining all the time
Keep on raining all the time
Stormy weather, stormy weather
Stormy weather....
