

# Without a Woman

Rebecca Ferguson

I'm strong and I am brave  
Build bridges with my braids  
I've seen the waters grow  
Been high and I been low  
I walk, I made a way  
I fight with grit and grace  
And yet I still come home  
I do it all, I do it all

This body of mine's a body divine  
And I know, and God knows, oh how I try

You know I gotta tell you something  
So take a seat and listen to me  
Let me break it down  
I'll show you what life without a woman would be  
Move over mister good for nothing  
I'll show you things you wouldn't believe  
But first you got to stop, find out  
What life without a woman would be

Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it

My love, my love is deep  
Just like the seven seas  
And I love you faithfully  
I do it all, I do it all

This body of mine's a body divine  
And I know, and God knows, oh how I try

You know I gotta tell you something  
So take a seat and listen to me  
Let me break it down  
I'll show you what life without a woman would be  
Move over mister good for nothing  
I'll show you things you wouldn't believe  
But first you got to stop, find out  
What life without a woman would be

Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it

Been high and low  
I felt the cold  
But now I know, I know, I know  
I'm more than gold  
Can't break this mould  
Been tried in fire  
Still have my soul  
Cause I'm a woman  
Yes, I'm a woman

You know I gotta tell you something  
So take a seat and listen to me  
Let me break it down  
I'll show you what life without a woman would be  
Move over mister good for nothing  
I'll show you things you wouldn't believe  
But first you got to stop, find out  
What life without a woman would be

I tell ya boy, you won't like it  
I tell ya, tell ya, boy you won't like it  
I tell, you won't like  
No no no

Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Tell ya, tell ya, tell ya, tell ya, tell ya boy you won't like it  
Without a woman
