

# Simple Things

Rebecca Lynn Howard

Hey, time won't wait, life goes by  
Every day's a brand new sky  
Every tear comes to dry  
All that really matters in this crazy world  
Is you and I together baby, just remember

The first leaves off the tree, the way you look at me  
A thousand chiming church bells ring, the simple things are free  
The sun, the moon, the stars, the beating of two hearts  
How I love the simple things, the simple things just are

So here we go, let's just dance  
Teach my soul to take this chance  
Put my heart in your hands  
Out of all the moments that we leave behind  
Turn around and tell me baby, we'll remember

The thunder and the rain, the way you say my name  
After all the clouds go by, the simple things remain  
The sun, the moon, the stars, the beating of two hearts  
How I love the simple things, the simple things just are

Oh, the ocean and the sky, the way we feel tonight  
I know that it's the love that brings the simple things to life  
The sun, the moon, the stars, the beating of two hearts  
I love the way the simple things, the simple things just are  
I love the way the simple things, the simple things just are  
The simple things just are  
The simple things just are
