

# What A Shame

Rebecca Lynn Howard

Phone rings 2 a.m.  
Oh, no here we go again  
It's you on my caller ID  
In the middle of a catastrophe

How many times can your heart break?  
I've heard all that I can take

What a shame  
The whole world can stop turning  
It's burning you up inside  
Too bad you're so full of pride

What a pity  
Nobody understands you  
A complicated man who  
Knows he's always right

What a shame  
What a pity  
What a pity  
What a shame

What a shame  
What a pity  
What a pity  
What a shame

Oh like Tom Cruise and Russell Crow  
Hollywood's where you should go  
Lord knows you've got the act of Drama King  
And thats a fact

How many times can one sky fall?  
I can't take another call

What a shame  
The whole world can stop turning  
It's burning you up inside  
Too bad you're so full of pride

What a pity  
Nobody understands you  
A complicated man who  
Knows he's always right

What a shame  
What a pity  
What a pity  
What a shame

What a shame  
What a pity  
What a pity  
What a shame

Some people never learn

And that's too bad  
You can't get it through your head  
I don't want you back

What a shame  
Oh oh oh, what a pity  
What a shame  
What a pity  
What a shame

What a shame  
Burning you up inside  
Too bad you are so full of pride

What a pity  
Nobody understands you  
A complicated man who  
Knows he's always right

What a shame, Lord knows  
What a pity  
What a shame, Lord knows  
What a pity

What a shame  
What a pity  
What a pity  
What a shame

What a shame  
What a pity  
What a pity  
What a shame
