

# What Dying Feels Like

Rebecca Lynn Howard

Verse1:

Can't say that I blame you, for walking out on me.  
I know I've been hard to live with, I won't try to keep you,  
like I've done before. I don't deserve, all these chances.

Chorus:

So I'll let you go, even though I don't want to. Just go, baby.  
Before I change my mind, and, I didn't know losing you would break me. This must be what, dying feels like.

Verse2:

I think I'll just stay, cooped up in this room. So I don't destroy my whole life. You've always been here, to clean up my mess.  
. But I won't do that to you this time.

Chorus:

So I'll let you go, even though I don't want to. Just go, baby.  
For I changed my mind, and, I didn't know losing you would break me. This must be what, dying feels like.

Oh no no don't you look at me that way. Don't tell me you wanna stay. It's time for me to pay, for treating you that way. So I'll let you go, even though I don't want to. just go, baby. Before I change my mind. I didn't know losing you would break me. This must be what dying feels like. This must be what, dying feels like.
