

# Everything I Do

Rebecca St. James

If it weren't for you Lord, I don't know where I'd be  
I could fill the hours, but never fill the need  
I would still be searching looking for the truth  
But I found a new life, that only comes from you

Everything I do let it be in your name  
Let it be for your glory let it be for you  
Everything I say let it be in your name  
Let it be to your glory let it be for your sake

'Cause I want to please you in everything I do  
I want the world to see you, when they look at me  
I want the world to hear you in every word I speak  
So let my words be your words and my actions too

So they'll find the new life that I have found in you  
Everything I do let it be in your name  
Let it be for your glory let it be for you  
Everything I say let it be in your name

Let it be to your glory let it be for your sake  
'Cause I want to please you in everything I do  
You filled up my empty heart  
You give me strength so that I can go on

You're the reason that my life has changed  
That's why I say  
Everything I do let it be in your name  
Let it be for your glory let it be for you

Everything I say let it be in your name  
Let it be to your glory let it be for your sake  
'cause I want to please you in everything I do
