

## Go And Sin No More

Rebecca St. James

I've sinned come on my knees for I'm not worthy of Your love  
How could you die for me such grace can only come from God  
Oh Lord, You search and You know me You see me inside out  
God, You alone can forgive me erase my fear and my doubt  
Father, you pick me up - I feel like a child in Your arms  
I don't deserve this love but, I hear Your voice Lord Jesus

Chorus:

Go and sin no more

He said "I will not condemn you, I'll forgive and I'll forget it all"

Go and sin no more

"My child let me remind you it is I who'll lead and guide you as you go"

You are my purpose You are the reason that I live  
I want to be like You Help me to love and to forgive  
God let me not be distracted Lord help me focus on you  
Keep sin from ruling my life, Lord make me holy and pure  
Father you pick me up I feel like a child in Your arms  
I don't deserve this love but, I hear Your voice Lord Jesus

Wipe, wipe away

Take, take away

Break, break away

Fill my life, make it right, Father help me, Father help me GO

I've sinned come on my knees how could You die for me  
You search my heart know my thoughts  
See me inside and out and all throughout me  
You alone can forgive me  
You always pick me up like a child in Your arms  
I could stay with You forever here
