

# In Me

Rebecca St. James

You said the words  
And made the heavens  
You breathed the stars  
And put their place in the sky  
You waved Your hand  
Painted a sunset  
You smiled and gave a heartbeat life

Crazy to think  
That Your holy hands  
Made everything I see  
It's so hard to believe  
That You the God of creation say  
I've got this power in me  
Chorus  
In me  
There is strength to move a mountain  
In me  
There is faith to walk on water  
In me  
If I just believe  
The Way and the Truth and the Life is  
In me

So please remind me  
When I feel useless  
That my flesh and bone  
Has more than meets the eye  
Because you burn  
Like a fire was in me  
And there's nothing out of reach when I  
Let your Spirit loose and be alive

(You said the words  
And made the heavens  
You breathed the stars  
And put their place in the sky  
You waved Your hand  
Painted a sunset  
You smiled and gave a heartbeat life)

You set the world in motion  
Put the waves in the ocean  
And when it all comes down  
I've got to believe  
That You the God of creation say  
I've got this power
