

## Jesu' Joy of Man's Desiring

Rebecca St. James

Jesu' joy of man's desiring  
Thou whose love shines down like a guiding light  
Drawn to thee with souls aspiring  
Through our faith we reach celestial height

Son of God we pray we may reach thee  
May we live in peace we beseech thee

Open doors of truth unknown  
As thy love comes down from the heavenly throne  
Teach us from they heavenly throne

Open doors of truth unknown  
As they love comes down from the heavenly throne
