

Shine Your Glory Down

Rebecca St. James

When I run, lead me
When I sleep, keep me
When I wake, Father, speak with me
Oh Majesty

Light of the world
Light up this day
God, I long to see Your face
Oh, shine Your glory down
Light of the world beyond display
And every heart will sing Your praise
Oh, shine Your glory down

With each breath, fill me
With each step, free me
When I love, Father, love through me
Oh Majesty

Light of the world
Light up this day
God, I long to see Your face
Oh, shine Your glory down
Light of the world beyond display
And every heart will sing Your praise
Oh, shine Your glory down

I do not walk in darkness
I will not live in fear
I walk in Your light

Light of the world
Light up this day
God, I long to see Your face
Oh, shine Your glory down
Light of the world beyond display
And every heart will sing Your praise
Oh, shine Your glory down
