

## Shine Your Glory Down

Rebecca St. James

When I run, lead me  
When I sleep, keep me  
When I wake, Father, speak with me  
Oh Majesty

Light of the world  
Light up this day  
God, I long to see Your face  
Oh, shine Your glory down  
Light of the world beyond display  
And every heart will sing Your praise  
Oh, shine Your glory down

With each breath, fill me  
With each step, free me  
When I love, Father, love through me  
Oh Majesty

Light of the world  
Light up this day  
God, I long to see Your face  
Oh, shine Your glory down  
Light of the world beyond display  
And every heart will sing Your praise  
Oh, shine Your glory down

I do not walk in darkness  
I will not live in fear  
I walk in Your light

Light of the world  
Light up this day  
God, I long to see Your face  
Oh, shine Your glory down  
Light of the world beyond display  
And every heart will sing Your praise  
Oh, shine Your glory down
