

You Still Amaze Me

Rebecca St. James

Oh, how beautiful the sound
That has saved a wretch like me
I was lost but I am found
I was captive till you made me free

If was grace that taught my heart
Hoe to marvel at your name
Breaking all my fears apart
Taking all my doubt and shame

And it all comes down to this
Yeah, it all comes down to

Your grace is amazing to me and
Your love is still such a wonder
Your cross is still bringing me to my knees, oh God
You still amaze me

Whhooooohh whoooooh

When i stand before your throne
I will bring eternal praise
For my heart has found a home
and a reason still to say

That it all comes down to this
Yeah, it all comes down to

Your grace is amazing to me and
Your love is still such a wonder
Your cross is still bringing me to my knees, oh God
and I am amazed

How you paid in death every sinner's wage
How you loved me first, so you took my place
and redemption came through the work of grace
it's amazing, so amazing

And it all comes down to this
Yeah, it all comes down to

Your grace is amazing to me and
Your love is still such a wonder
Your cross is still bringing me to my knees, oh God
You still amaze me
