

Feeling Alright

Rebelution

Well it's about that time for us to look around and meet somebody new
Let's all welcome in familiar faces, perhaps somebody who,
Has got a conflict in their life
Tell them you're sorry, but there's ways to change the wrong to right
See we can sit in a distant haze and watch rain clouds pour thoughts of greatness and help our troubles sail real far away.
Well it's a struggle - everyday we're stressing, but what's a life without dedication?
I'm trying to pick up the soul's intention to soak in music relaxation

We're feeling good, we're feeling alright
We're feeling good, we're feeling alright

In a moment I'll be on my way, to better days, while life is changing
And even though I've had my share of pain, I've been sympathizing and realizing
I've got a feeling that we can be a better friend
Simply complimenting every now and then
In the morning I wake up and miss the night before
Cuz I love the music more and more
See we can sit in a distant haze and watch rain clouds pour thoughts of greatness to help our troubles sail real far away
While it's a struggle everyday we're stressing, but what's a life without dedication?
I'm trying to pick up the soul's intention to soak in music relaxation
