Other Side

Rebelution

How you feeling? How you feeling? People, take it easy can't yo u see that I'm busy now I've got a knack for some trouble believe me, and lately I've b een trying to block it out I've got a strange little other side, a temptation that I try t o hide Just like a pretty girl saying do or die And I can tell when I look at you That you've been going what I'm going through The same thing happens, the same thing happens But I've been thinking I can be a better man see Instead of taking life for granted I feel lucky to be alive, go od how I'll feel inside And from now on we're taking big strides Hold up, now yes I'm on something great, if you know you relate , no one's perfect And if you think you can't count your mistakes, think again, ca use I know that you can Dear sir, I'm pretty sure that we grow every day based on simpl e mistakes that we make There ain't no easy way, there ain't no easy way And I can tell when I look at you You know exactly what I'm going through

The same thing happens, the same thing happens But you keep thinking you can be a better man see Instead of taking life for granted you'll feel lucky to be aliv e, good how you'll feel inside And from now on we're taking big strides
